Ladakh with Flight Ex Delhi 6N 7D - 6 Nights / 7 Days

ABOUT LADAKH!!

Ladakh (meaning "land of high mountain passes") is a mountainous region in North India. Leh, the main city is situated at 3500m above sea level nestled in the great Himalayan, Karakoram, Zaskar and Ladakh ranges. Ladakh is known for remote mountain beauty, studded with monasteries and stupas. Ladakh is often referred as "Little Tibet" due to its geographical proximity and strong links to Tibetan culture.

ACCLIMATIZATION

Leh is at 3500m above sea level so acclimatization can get difficult because of high altitude. It is advisable to spend at least two days to acclimatize before you set out for your adventures. Drink plenty of water or other fluids such as soup, tea and juice.

CLIMATE

Ladakh is a rain shadow region of the Himalayas, the annual average rainfall in Leh is 100 mm. In summer, temperature reaches 25°C and it drops down to -15°C in winter. The high passes are closed during winter due to heavy snowfall.

Languages:

Ladakhi, Zanskari, Tibetan, English and Hindi - The predominant language is Ladakhi, it is closely related to Tibetan though is not mutually intelligible with it. A Ladakhi phrasebook "Getting Started in Ladakhi" by Melong publication is available in bookstores.
